## A letter from your Principal

Dear Parents,

As we begin another school year, I wanted to take this opportunity to welcome you all back and extend a hearty welcome to the parents of our new students.

This school year will be filled with many challenging and fun activities for your child as we aim to increase the level of instruction for all of our students.

Teachers are working very hard to plan and design engaging lessons to best fit the needs of your child's. Our lessons will be challenging, but our students can do it. Like you, we have very high expectations for everyone. We ask that you, the parents, assist us in delivering this message so everyone can achieve their maximum potential.

Our doors are always open and we have a great communication system. If you have any questions about your child's education, or any suggestions that will help us improve, call or email anytime

Here's wishing you and your family a great school year!

Sincerely,

D. Hoehn

Principal
